

MOSTRA GRATUÏTA A BAIXA RESOLUCIÓ Institut Cartogràfic i Geològic de Catalunya - www.icgc.cat 2017

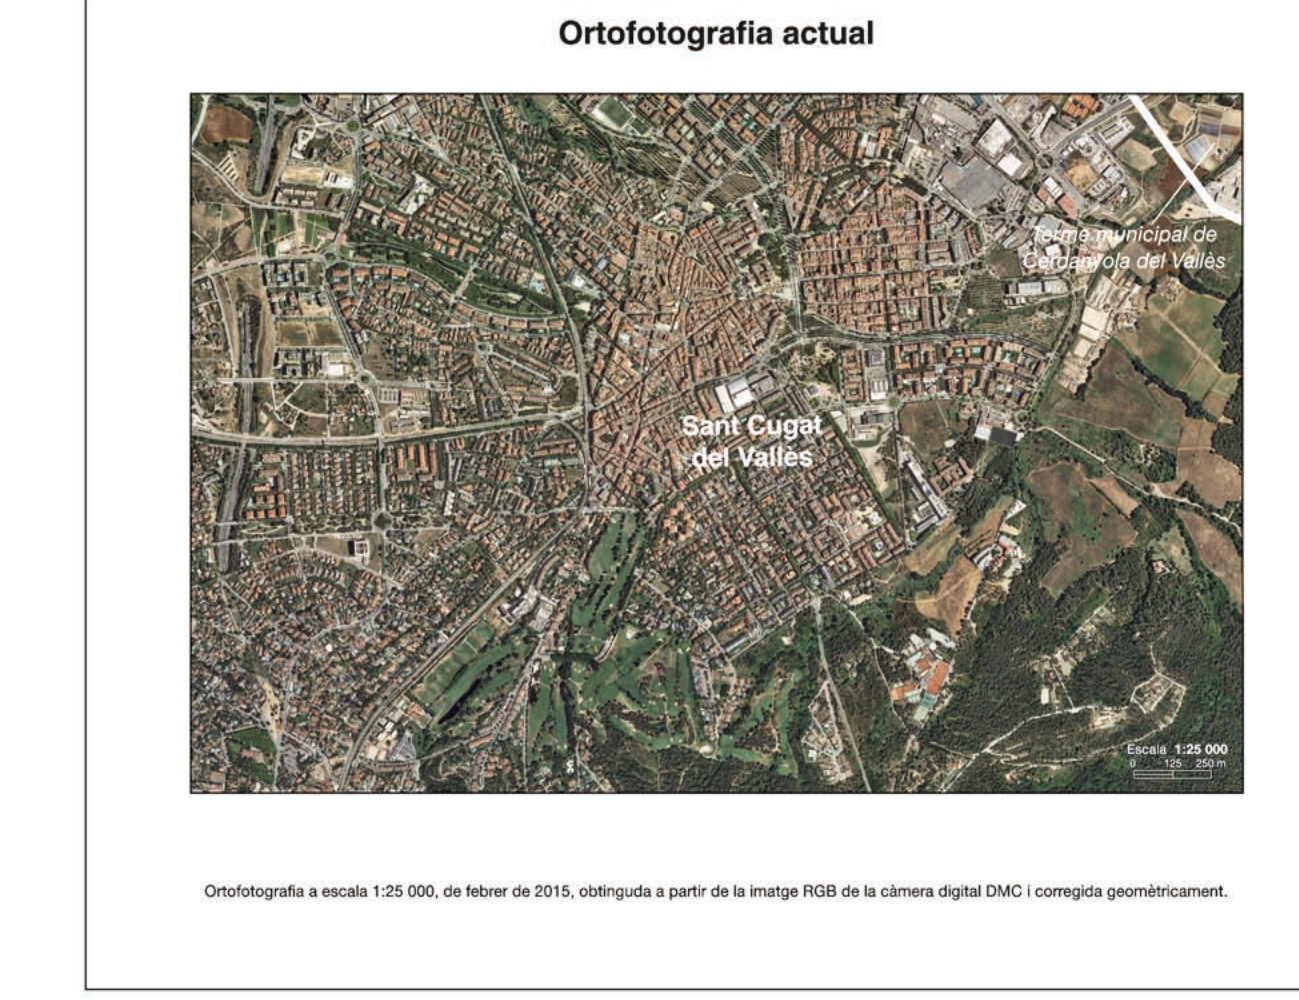

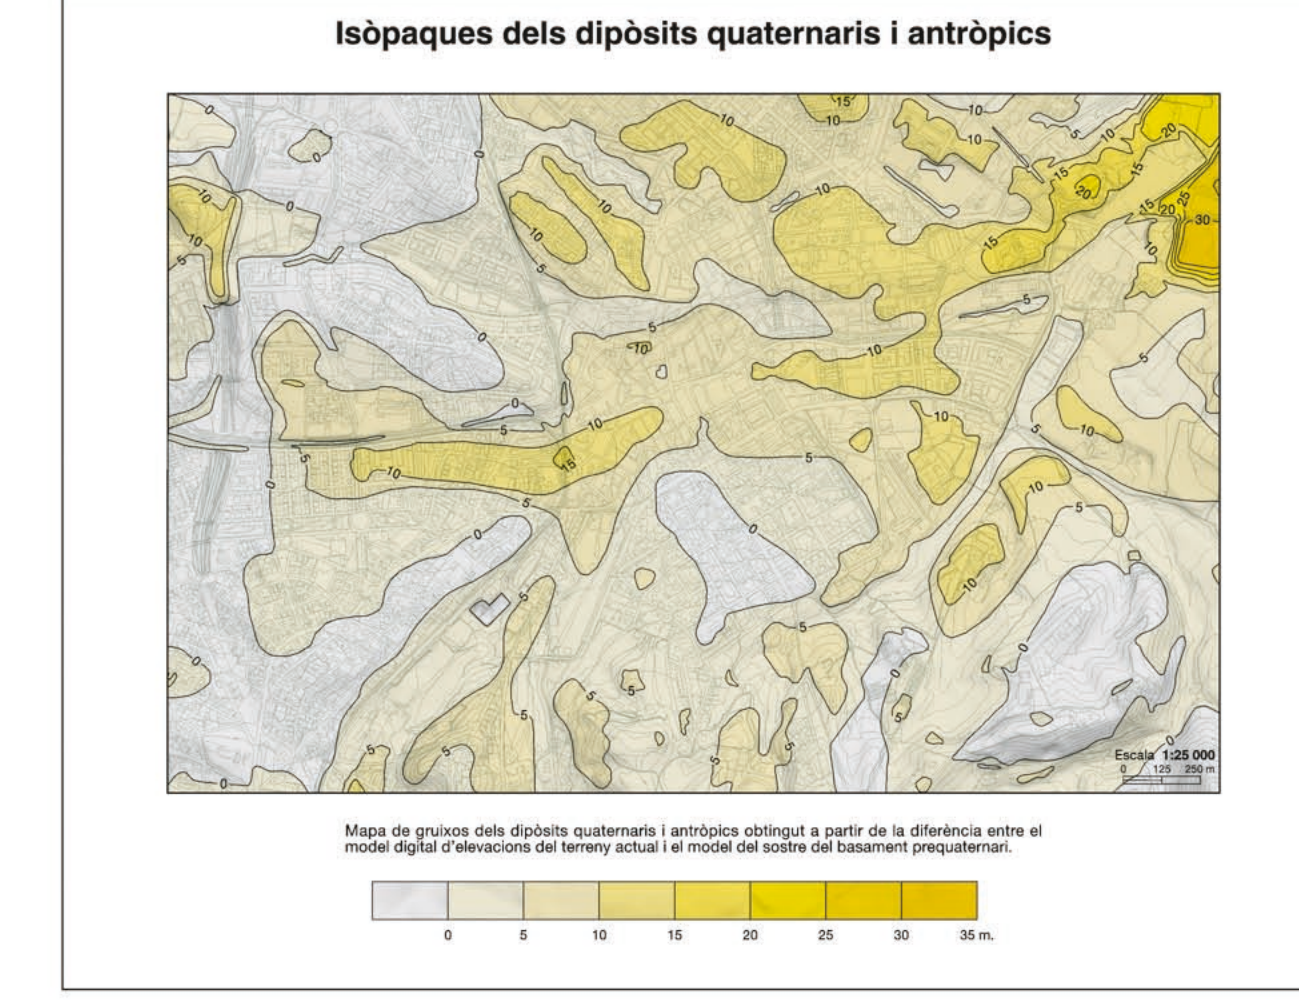

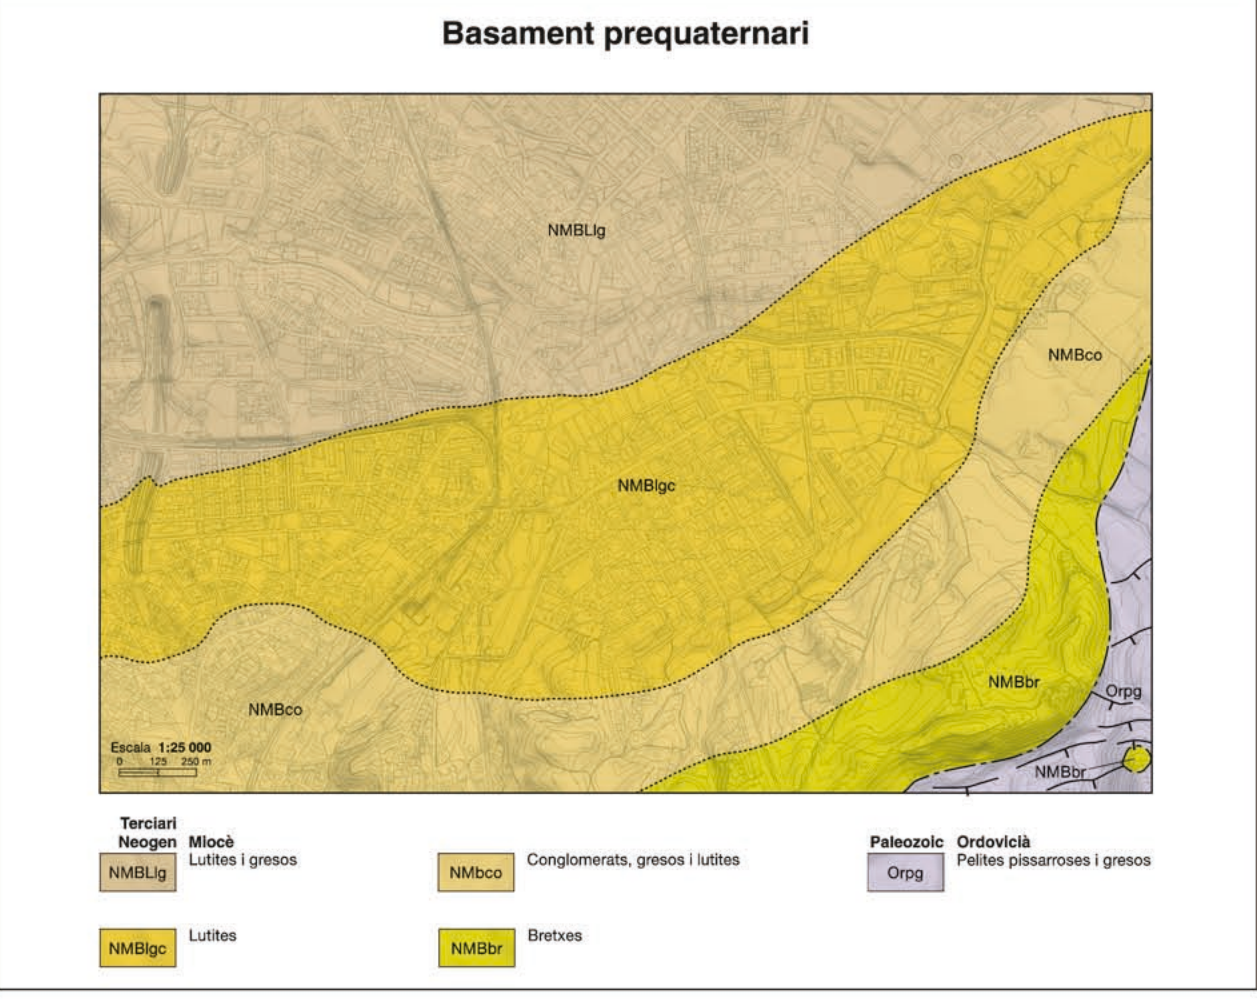

Legend (Llegenda) detailing symbols for geological units, signs, and projections.

Signes convencionals (Conventional signs) section of the legend.

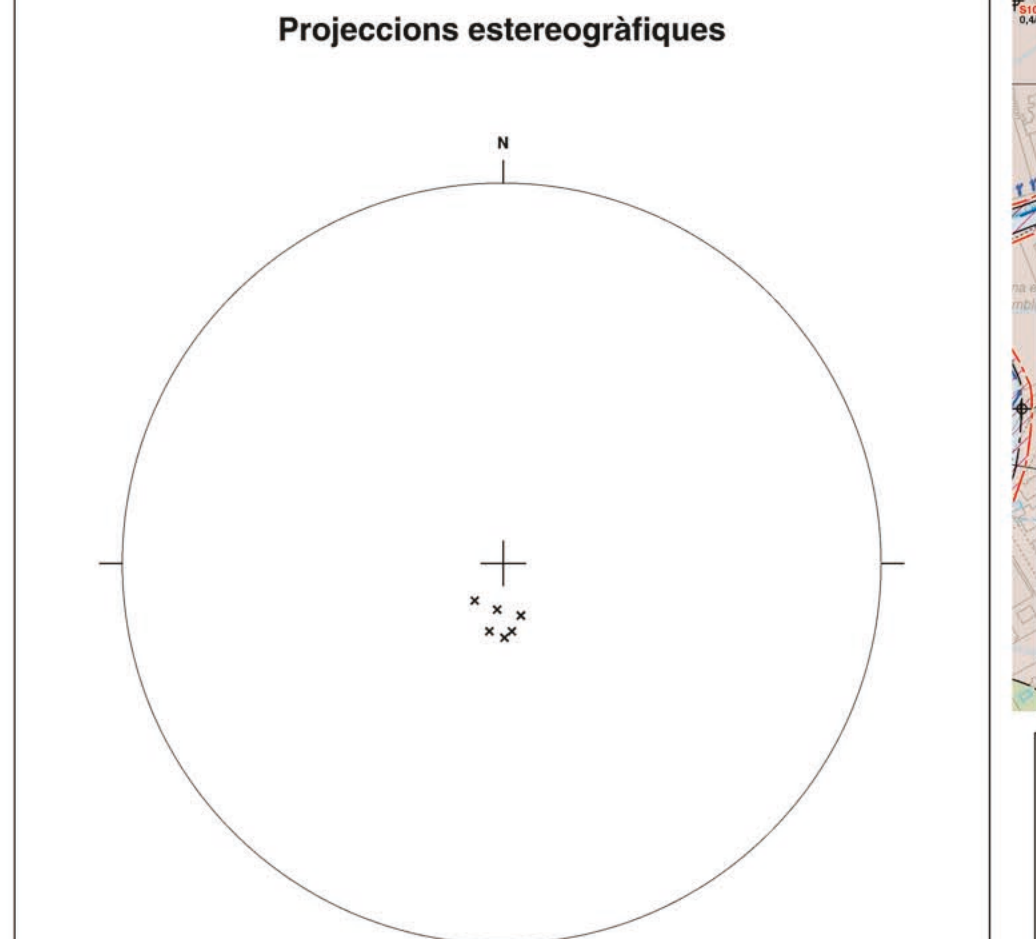

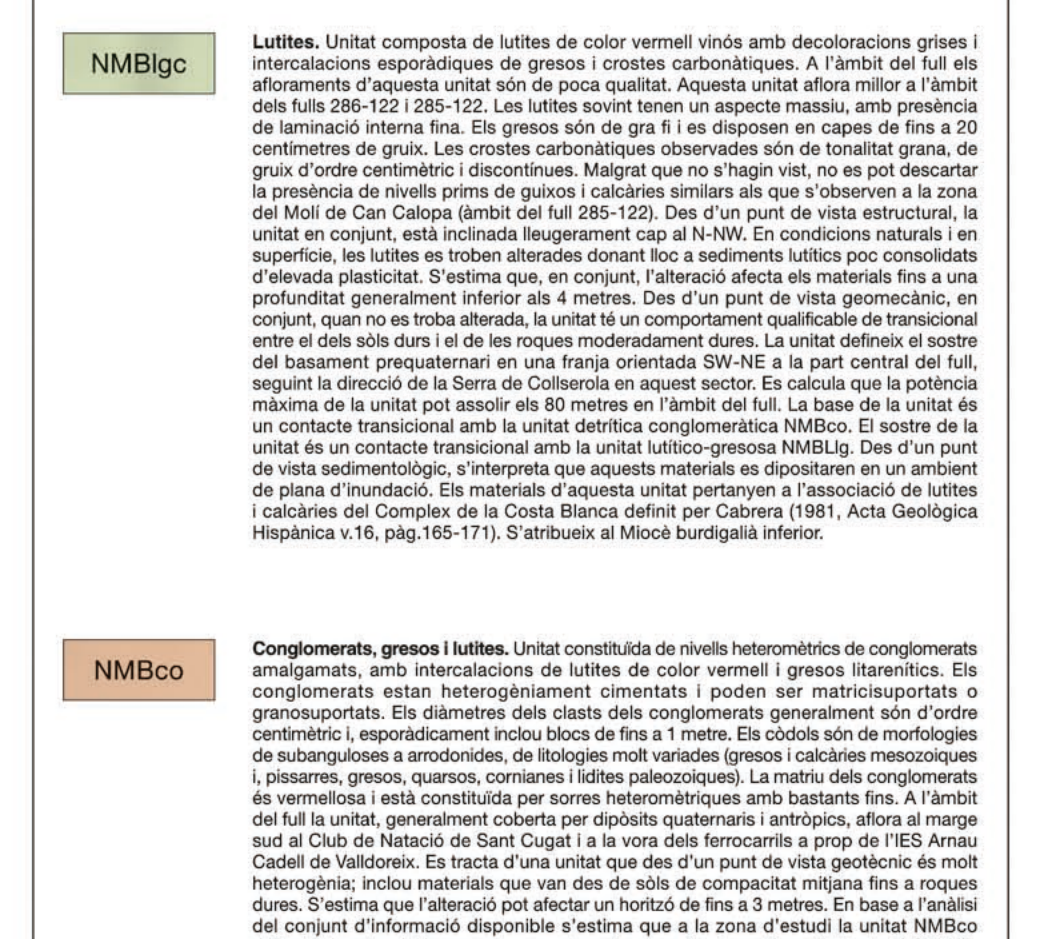

Mapa geològic de Catalunya Geotècnic III. Mapa geològic de les zones urbanes Sant Cugat del Vallès 287-122 (420-7-2) 1:5 000

Marc geològic (Geological framework) text describing the geological context and objectives of the study.

Columnes de sondatges representatius (Representative borehole columns) showing data from various boreholes.

Mapa geològic de Catalunya Geotècnic III. Mapa geològic de les zones urbanes Sant Cugat del Vallès 287-122 (420-7-2) 1:5 000

Table with 10 columns showing geochemical data for various elements (Al, Fe, Mn, Ni, Pb, Zn, Cu, Cr, Co, Cd) across different geological units.
